## CANCERS.

DR. W. C. COUDEN, formerly of Cincinnati, has located permanently in Terre Haute.

Dr. Couden devote special attention to the treatment of Cancers and Cancerous affections.

Calling attention to my Cancer Affection, it is the most wonderful discovery ever made in medicine. It is the greatest desideratum so long sought for by the medical profession, and I am now enabled to offer to my associates without a parallel and better known antidote to cancer, and all cancers affective to man, than any other known.

The discovery is based upon the absorption of the cancerous cells into the circulation, thus competing with the cancerous cells.

It is a simple, salutary and effective remedy.

Every particle now existing belonging to it, without exception, or the use of knife, without caustic ointment or any other treatment, can be applied to the cancerous eye or any organ, as easily and readily as water to skin.

Call upon Dr. Couden, 100 Main Street, Terre Haute, Indiana.

There are no other treatments could possibly do as well as this.

Individuals and all intelligent and informed men will exhibit an argument in favor of this discovery, and hundreds of cases cured throughout the country, communicate, letters, documents, and affidavits, and other proofs, will be furnished to any person.

Particular attention paid to the diseases of the Eye and Ear, such as partial blindness or deafness, either from chronic, tubercular, rheumatic, or other diseases, falling remedy for Eye and Apoplectic Disease.

SCHOFIELD, KERAMAT AND LIVER COMPLAINT.

Caused with success, eruptive diseases, such as acne, pustules and tumors, cold head, hysteria, epilepsy, convulsions, neuralgia, sciatica, rheumatism, gout, rheumatism, struma, gouty, or swell neck, and all varieties of the kidneys and spleen will receive the same attention.

Also a new and successful remedy for removing warts, and all other varieties of worm found in the body.

The specific and regular professionals invited to examine my specific treatment of cancer.
